## Five Hundred Attend Union Sunday School Picnic At Beulah Lake

An estimated crowd of more than 500 persons attended the Union Sunday School picnic at Beulah Lake, Wednesday last week. The motorcade carrying members from all Sunday Schools in and around Mound Bayou left shortly after 8:00 o'clock and arrived at Beulah Lake, just across the Mississippi River Levee from the town of Beulah, as scheduled. The playground, located between two rows of tall trees was an ideal location for the picnic.

Before activities could get under way, a large crowd of Renova S. S. members and friends arrived and all joined in and worked together in making final preparations for the best Sunday School picnic those attending had ever witnessed.

It seemed as if the committees had been very thoughtful in having on hand everything necessary for the pleasure, comfort and even the luxury of the picnickers. Among the activities enthusiastically participated in were: swinging, riding a merry-go-round, swimming, boat-riding, fishing, ring plays, bingo, croquet, Chinese checkers and soft ball.

Some left the activities long enough to go to their automobiles and listen to the news broadcasts, but soon returned. Some of the older persons seemed to enjoy sitting and watching the games while others stretched out on blankets to view the aquatic sports.

Ice water, ice cream, chicken, cakes, pies and sandwiches seemed to have been

## Announce Marriage Of Miss Zee A. Anderson To Mr. E. M. Barron

MOUND BAYOU, Mississippi, Sept. 3.—Mr. and Mrs. P. M. Smith, announce the marriage of their sister, Miss Zee Alfin Anderson to Mr. E. M. Barron of Nashville, Tennessee, on Friday, August 16, 1940, in Jackson, Mississippi.

The ceremony was performed at the home of the bride's pastor, the Rev. C. A. Greer of the Farish Street Baptist Church.

Mr. and Mrs. Barron were attended by two friends, Prof. T. B. Ellis, Coach of Jackson College, and Mrs. Miriam Dansby Johnson, who played nuptial music while the ceremony was read.

Mrs. Barron is a graduate of Jackson College and has done work toward a master's degree in English and speech at the University of Minnesota. Prof. Barron is a graduate of Morehouse College and has a Master's degree in Science from Atlanta University Atlanta, Georgia.

Prof. and Mrs. Barron will be at home at the new Jackson State Teachers College, Jackson, Mississippi, where they are both employed as instructors.

on hand in abundance but the fish fry overshadowed all of this. Denominationalism and everything else was forgotten and everyone worked in complete harmony and made the affair a huge success.

The Superintendents and promoters were showered with praises for arranging for such a wonderful picnic.

Mrs. Claudia Davis of St. Louis, visited her sister Miss Maranda Nalls, and other relatives. Her niece Gloria accompanied her to St. Louis.

## Likes Football Prospects

PROF. A. L. RICHARDSON

To stress athletics in any school system will play a great part towards building character in boys and girls.

Viewing athletics at B. C. T. S. last October Principal Greene and I made and closed a deal for more than \$100 worth of football equipment without a penny to build a football team in our school. We didn't have a powerful team because it was our first year, but no one criticized us, realizing that no build a team in one year, however, we can boast of the fact that we have the most promising team in the state for the coming season, which I am very grateful to the citizens, Prof. Slaughter and Prof. Smith.

I regret very much to say that graduation will cause the following stars to wear the royal uniform to the battle field for ole B. C. T. S. their last time this season, they are: Captain Stringer, Presley, Purnell, Kemper, Spears Brothers, Westbrooks, Knox, Snowden and Martin.

From nine years of experience as football coach I turned out three state teams. With 18 men we defeated McKinley High at Baton Rouge 6-0. In our 9 games our goal was never crossed. I am sure the same thing can be done at B. C. T. S.
